**Bioniche Pharma and Synerx Pharma Launch Fomepizole Injection**

Lake Forest, IL, September 24, 2009 - Bioniche Pharma, a leading developer and manufacturer of injectable pharmaceuticals, and Synerx Pharma, LLC, announced today the launch of Fomepizole Injection, the generic equivalent of Antizol<sup>®</sup> from Paladin Labs, Inc.

“The addition of Fomepizole to Bioniche Pharma’s product offering further broadens our base of niche injectables,” said George Zorich, President, US Operations for Bioniche Pharma.

Bioniche Pharma and Synerx Pharma entered into a definitive agreement whereby Bioniche Pharma has the rights to market and distribute Fomepizole in the United States.

Bioniche Pharma will supply Fomepizole Injection in 1.5g /1.5 mL vials.

**About Bioniche Pharma:**

Bioniche Pharma is a global manufacturer of injectable pharmaceutical products serving a variety of niche markets. The company’s growth is fueled by an internal development pipeline and an aggressive acquisition strategy for products. Bioniche Pharma was acquired in February 2006 by RoundTable Healthcare Partners, a private equity firm based in Lake Forest, Illinois. More information about Bioniche Pharma can be found at [www.bionichepharma.com](http://www.bionichepharma.com).

**About Synerx Pharma:**

Synerx Pharma, LLC is a privately held corporation located in historic Bucks County Pennsylvania. Established in January 2004, the company develops and brings to market select pharmaceutical products aimed at addressing unmet market needs, particularly those involving some combination of barriers to entry. The company focuses on developing cost effective specialty generic pharmaceuticals and small brand products. Synerx presently has six FDA approved products, of which four were First Time Generic Approvals, and a development portfolio of ten projects at various stages of development in multiple dosage forms. More information can be found at [www.synerxpharma.com](http://www.synerxpharma.com).

Antizol<sup>®</sup> is a registered trademark of Paladin Labs.
